

Asha Students Achievement Test (2019 – 20) -- Maths

Student Name		Class	2		
School Name		Date			20

1. Shade the boxes to the given number: 17

2. Write in expanded form:

18 = _____ tens and _____ ones

3. Match

3 tens and 5 ones

63

60 + 3

28

3 + 5

35

Twenty eight

8

4. Find:

i) $15 + 3 = \underline{\quad}$

ii) $9 + 0 = \underline{\quad}$

iii)

	T	O
	3	5
+	1	2

iv)

	T	O
	4	6
+	2	8

5. Find:

i) $14 - 5 = \underline{\quad}$

ii) $6 - 0 = \underline{\quad}$

iii)

	T	O
	8	9
-	1	2

iv)

	T	O
	4	3
-	2	7

6. Write the before number, after number or the between number for the following numbers.

10 _____

23 _____

_____ **9**

_____ **17**

5 _____ **7**

72 _____ **74**

7. Circle the biggest number from the given numbers:

14, 9, 84, 44, 63

8. Circle the smallest number from the given numbers:

17, 7, 93, 48, 73

9. Write the numbers in ascending and descending order: 8, 6, 92, 56, 19

Ascending order _____, _____, _____, _____, _____

Descending order _____, _____, _____, _____, _____

10. Find true (✓) or false (x)

i) 42 is greater than 14 ()

ii) 33 is equal to 33 ()

iii) 71 is less than 15 ()

11. Count and write the number of triangles and circles in the given diagram.

No of triangles _____

No of circles _____

Tick which shape is more in number:

Triangle

Circle
